Massage Testimonial Form

The combination of massage and chiropractic certainly has helped many people recover from loss of good health. We are honored to have been a part of your return to health through massage. It is part of our mission to share the benefits of massage and chiropractic care with the public in the hopes that many more can be helped.

If you have been helped by letitia through massage please take a few moments to relate your experience. Your name will be kept confidential and appear only as initials should your testimonial be used, although it must be kept on file in our office for verification purposes.

Thank you for helping us educate others about the wonders of massage!
